### Robertson Fifth Grade Chorus sings at Barnes and Noble

The Robertson Fifth Grade Chorus sang at Barnes and Noble at the Buckland Hills Mall on December 9th.

This was the third annual performance of the Robertson Chorus at this venue. The performance was a part of a book fair being held at Barnes and Noble to benefit the Robertson School Activities Fund. Students sang winter classics such as "Let it Snow", "Frosty the Snowman" and "Jingle Bells", which featured a solo by Jazon Graham.

Miss Grieco, the chorus and general music teacher at Robertson, was thrilled by the parent and student turn out that evening.
